FROM: AFJROTC/DIRECTOR
60 West Maxwell Blvd
Maxwell AFB AL 36112

SUBJECT: **2023 SELECTS/ALTERNATES**
Private Pilot Certification Scholarship Program (AFJROTC Flight Academy)

1. The Air Force funded 200 scholarships for the 2023 Flight Academy Program, and HQ AFJROTC is proud to release the names of Selects and Alternates for next year's cohort.
2. Cadets identified as "Selects" will attend a summer university program for the opportunity to earn their private pilot certification. Select and Alternate cadets will receive additional information through WINGS with an official notification letter, critical information, and deadlines.

If you have a cadet on the attached lists, please encourage the cadet to monitor his/her email and WINGS account.

3. Lastly, I offer my personal congratulations to all Select and Alternate cadets. Being designated for the opportunity to earn a private pilot certification is a significant accomplishment. I encourage cadets attending this program to do their very best and make the most of this amazing opportunity.

A handwritten signature in black ink, appearing to read "J. McGonigal", is positioned above the printed name.
