The City's Temporary Traffic Calming Program addresses cut-through traffic and speeding on **2 lane (non-arterial) residential** streets. Feel free to provide more detailed information about concerns on your street:

To be considered for traffic calming, you must obtain signatures from sixty-seven percent (67%) or more of the property owners and/or businesses adjacent to the section of roadway mentioned above, using the petition form attached. One signature is allowed per address.

Signatures are required as part of the application process to ensure community support before the planning process begins. Residents on blocks requesting traffic calming will be given the opportunity to petition for temporary placement of speed hump(s).

I understand this request for placement of temporary speed hump(s) will be processed in the order received.

I agree to be the contact person for the above request.

Ballot 1: Temporary Speed Hump Request Petition Form

We the undersigned hereby petition the City of Jackson to perform the necessary evaluation, hold public hearings, and recommend that temporary speed humps or other appropriate traffic calming measures be installed on

_____ from _____ to _____
Your Street *Cross Street* *Cross Street*

A neighborhood ballot will be circulated before physical measures are approved for this location. Signatures representing sixty-seven percent (67%) or more of all property owners adjacent to the street must be obtained before the above-mentioned street can be considered for installation of temporary traffic calming devices.

By signing this petition,

- I do hereby certify that my property is adjacent to the street being considered for temporary speed hump installation for a 90-day period.
- I agree to have a speed hump or other appropriate traffic calming measure installed in front of my residence/business if deemed the most appropriate solution by City staff; and
- My signature here counts as a “yes” vote if my block is deemed eligible for traffic calming.
