Ignite Your Business Potential: West Tennessee Small Business Expo 2024

Getting Your Business Funded

Through this session, our objective is to equip you with the knowledge and understanding of the requirements for different sources of funding. By attending, you will gain valuable insights and practical tips that can help you secure the necessary funds to fuel the growth and success of your business.

Navigating Government Contracting

The objective of this session is to provide attendees with the necessary knowledge and tools to begin preparing for pursuing government contracts.

Applying for Government Bids

Learn insider tips on finding bid opportunities, understanding requirements, and winning more work from local, state and federal agencies. Plus, network with procurement reps who can provide inside insight into the public sector opportunities available right here in West Tennessee. Don't miss this hands-on workshop on June 26th - it could be the key to taking your business to the next level through reliable government contracts.

Business Resources

This session is to connect attendees with programs and resources that support workforce development, provide assistance with tax compliance, guide businesses through licensing and regulatory requirements, and offer SCORE advising for informed decision-making growth within their businesses.
