The undersigned affiant, after being duly sworn according to the law, states that

Lafrancese Lee Johnson

whose name is otherwise unknown to the affiant, committed the offense of

TCA 39-17-1307 Employing a Firearm During a Dangerous Felony

in the City of Jackson, Madison County, Tennessee on or about March 8, 20<sup>25</sup>

Further, the affiant makes oath that the essential facts constituting said offense, the sources of the affiant's information, and the reason why his/her information is believable concerning said facts are as follows:

On March 8, 2025 at approximately 2317 hours, Officers Belew and Erickson responded to several Shot Spotter alerts in the area of 1400 North Highland Avenue (Exxon). Dispatch advised two vehicles were involved, a black SUV (later determined to be a dark blue Dodge Journey bearing Tn AQ5242) and a silver Nissan sedan. Upon arrival in the area contact was made with a male subject, later identified as Jakobe Shaw, suffering from gunshot wounds. Mr. Shaw was located on Redbud Street and he appeared to have gunshot wounds to the lower back of his neck, to his upper left collar bone area, and appeared to have a bullet projectile protruding from his middle back area. Mr. Shaw was taken to Regional One in Memphis via AirEvac for further care. During this time Officer Long located the suspected silver Nissan Maxima and attempted to stop it going North on Campbell St, but the vehicle fled from officers. Once the vehicle finally stopped four suspects fled on foot with three taken into custody to include Keir Smith, Destion Harrison, Yusef Emery, and a fourth male suspect was never captured. Approx. 70 shell casings and projectiles were located and marked in the Exxon parking lot, Walgreen's parking lot, and PC Paladins Computer Services parking lot. Video surveillance from the Exxon gas station at 1400 N. Highland showed occupants from the blue Dodge Journey and the silver Nissan Maxima exchanging gunshots. Prior to the shooting starting, occupants in the Dodge Journey appeared to exchange words with Destion Harrison along with the three others at the Nissan. Surveillance shows the Journey pull around the gas pumps and somewhat behind the Nissan while the Nissan was still at the pumps. A male, later identified as Cortney Boyland, was observed leaning out of the front passenger side window of the Journey and looking over the roof toward the Nissan. Another male, Jakobe Shaw, appears around the passenger side rear of the Journey. After Shaw was observed by Kier Smith, Smith appears to fire toward Shaw and then the other males at the Nissan also fire at the Journey. Shaw is observed shooting back with a handgun before fleeing across the street. The driver of the Journey appears to shoot back at the Nissan occupants and toward the front of the store. After the shooting, Investigators made contact with two of the four occupants of the blue Dodge Journey being the driver, Lafrancese Johnson, and the front seat passenger, Cortney Boyland. They arrived at Jackson General hospital shortly after the shooting and Boyland sustained a gunshot wound to his lower left leg. Boyland and Johnson advised that they shot back in self-defense after being fired upon by the three male suspects. Boyland further stated that he had an AR15 that he tried to shoot but it jammed. Johnson stated that she had a "Draco" AK pistol that she fired back approx. 3-4 times. Jakobe Shaw gave officers a statement on 03/09/25 that he was shot at first, returned fire via a handgun, and was chased before being shot a couple more times while fleeing. Another male inside the Dodge Journey, Cortavion Bufford, advised that he was inside the Journey while it was fired upon. The Exxon gas station had damage to the pumps and the front windows from the gunfire.

Dispatch advised two vehicles were involved, a black SUV (later determined to be a dark blue Dodge Journey bearing Tn AQ5242) and a silver Nissan sedan. Upon arrival in the area contact was made with a male subject, later identified as Jakobe Shaw, suffering from gunshot wounds. Mr. Shaw was located on Redbud Street and he appeared to have gunshot wounds to the lower back of his neck, to his upper left collar bone area, and appeared to have a bullet projectile protruding from his middle back area. Mr. Shaw was taken to Regional One in Memphis via AirEvac for further care. During this time Officer Long located the suspected silver Nissan Maxima and attempted to stop it going North on Campbell St, but the vehicle fled from officers. Once the vehicle finally stopped four suspects fled on foot with three taken into custody to include Keir Smith, Destion Harrison, Yusef Emery, and a fourth male suspect was never captured. Approx. 70 shell casings and projectiles were located and marked in the Exxon parking lot, Walgreen's parking lot, and PC Paladins Computer Services parking lot. Video surveillance from the Exxon gas station at 1400 N. Highland showed occupants from the blue Dodge Journey and the silver Nissan Maxima exchanging gunshots. Prior to the shooting starting, occupants in the Dodge Journey appeared to exchange words with Destion Harrison along with the three others at the Nissan. Surveillance shows the Journey pull around the gas pumps and somewhat behind the Nissan while the Nissan was still at the pumps. A male, later identified as Cortney Boyland, was observed leaning out of the front passenger side window of the Journey and looking over the roof toward the Nissan. Another male, Jakobe Shaw, appears around the passenger side rear of the Journey. After Shaw was observed by Kier Smith, Smith appears to fire toward Shaw and then the other males at the Nissan also fire at the Journey. Shaw is observed shooting back with a handgun before fleeing across the street. The driver of the Journey appears to shoot back at the Nissan occupants and toward the front of the store. After the shooting, Investigators made contact with two of the four occupants of the blue Dodge Journey being the driver, Lafrancese Johnson, and the front seat passenger, Cortney Boyland. They arrived at Jackson General hospital shortly after the shooting and Boyland sustained a gunshot wound to his lower left leg. Boyland and Johnson advised that they shot back in self-defense after being fired upon by the three male suspects. Boyland further stated that he had an AR15 that he tried to shoot but it jammed. Johnson stated that she had a "Draco" AK pistol that she fired back approx. 3-4 times. Jakobe Shaw gave officers a statement on 03/09/25 that he was shot at first, returned fire via a handgun, and was chased before being shot a couple more times while fleeing. Another male inside the Dodge Journey, Cortavion Bufford, advised that he was inside the Journey while it was fired upon. The Exxon gas station had damage to the pumps and the front windows from the gunfire
