

Jackson-Madison County Library

- Averaging over 15,000 visits per month
THAT'S OVER 500 PEOPLE A DAY
(1/3 North Branch, 2/3 Main Library)
 - Circulation of over 420,000 for 23-24
 - Over 1000 programs in 23-24
- WE ARE GROWING AND
RUNNING OUT OF SPACE!!!

Feasibility Study

- Conducted by Anders Dahlgren of Library Planning Associates (2020)
- Funded by Jackson-Madison Co. Library Foundation
- Very thorough
 - Examined data from years of usage
 - State Minimum Standards
 - Community Input from Stakeholder focus groups
 - Library Trends

Strategic Plan

- Developed from Results of Feasibility Study
- Calls for Main Library of no less than 65,186 sf (Currently 30,000)
- Calls for North Branch of 12,242 sq. ft. (Currently around 3500)
- Increased space for collaboration and use of technology
- More meeting rooms
- IMPORTANT: MAIN LIBRARY STAY WHERE IT IS
In order for that to happen we needed more property.

Two Houses Purchased by City/County in the amount of \$250,000

City and County funded capital for Schematic Design - \$204,000

- Bids taken
- Interviews conducted
- Awarded to 4F Design and archimania

**Almost \$500,000 already invested by City and
County in the expansion!**

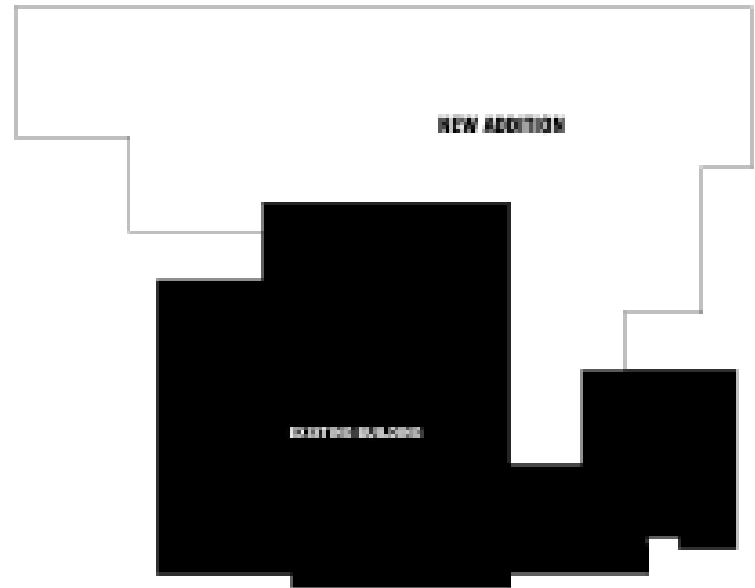

Schematic Design

What's Next?

- Design Development is the next step.
- Should be done 14 to 18 months before construction begins.
- Estimated costs of design development is \$789,596
- Estimated costs of construction and renovation is \$32,228,390
- Important to remember this costs is split between City and County when the time comes
- Please remember the Library in your planning.

THANK YOU!

For realizing the important role the library plays in the community and supporting our efforts to be the best for the citizens of Jackson!
