Mr. Decker then accelerated forward nearly striking myself and Deputy Cooper placing us in fear. I deployed my phazzer in the open window of the truck which appeared to strike Mr. Decker. Mr. Decker then drove over the curb and grass out of the parking lot onto Ridgecrest Rd. Mr. Decker then continued at a very high rate of speed through the intersection of Ridgecrest Rd and N. Highland Ave. Deputies attempted to pursue Mr. Decker down Carriage House Dr but could not keep contact with Mr. Decker due to his reckless driving and no regard for the safety of the public. Deputies located the vehicle and trailer behind a business at the dead end of Weatherford Squ. The vehicle was unoccupied and had ran through a fence into the woods with damage to the front end and the trailer. Deputies and JPD established a perimeter on Weatherford Squ. JPD officer observed Mr. Decker running through a yard on Lennon Cv and he ran from JPD on foot. Deputies determined the ford F350 to be stolen out of Nashville Metro. Deputies conducted a search of the vehicle. Deputies located a black digital scale with a white residue on it in between the front seats on the floorboard, a clear plastic baggy with a what appeared to be crushed up Suboxone Pills inside in the drivers door handle, a advil bottle which contained a white crystal like residue inside with a piece of what appeared to be cotton in the drivers door handle. Deputies located a small gray plastic container in the front passenger side floorboard which contained a white powder substance that was loose in the bottom of the container which appeared to be fentanyl so it was not weighed due it possibly being fentanyl. Deputies also located a pair of bolt cutters in the front driver side floorboard of the vehicle. Mr. Decker's license were found to be suspended in the state of TN for accumulation of points. The trailer was valued at \$2,750 dollars. Mr. Decker was also found to be wanted out of Davidson County and other counties for vehicle theft. This did occur in Madison County.
